The data given are based on average data und has been determined by measurements made in the laboratoryunder standard conditions. There could be minor deviations due to technical and/or physical reasons.

If there is no other agreement, you will find the DateCode on the packaging and the socket of the lamp. The DateCode is an alphanumeric code with 3 digits for the date of production. The first two digits stand for the calendar week and the third digit for the year. Example: 471 = week 47 in 2011

HN Sunlight GmbH reserves the right to alter the illustrations and technical data in this Technical Data Sheet. The latest updated version of the Technical Data Sheet is prevailing. It is within the customer's responsibility to check whether he is in possession of the latest updated version of the Technical Data Sheet.

Contraindication: This product is contraindicated for use on persons under the age of 18 years.

Contraindication: This product must not be used if skin lesions or open wounds are present.
